DISCLOSURE AND CONSENT FOR CHIROPRACTIC CARE

To the patient: You have a right as a patient to be informed about your condition and the recommended chiropractic adjustments and other chiropractic procedures to be used so that you may make the decision whether or not to undergo the treatment after knowing the potential risks and hazards involved. The disclosure is not meant to alarm you; simply an effort to make you better informed so you may give or withhold your consent to the procedure.

I hereby request and consent to the performance of chiropractic adjustments and other chiropractic procedures, including various modes of physical therapy, acupuncture and diagnostic x-rays on me (or the patient named below, for whom I am legally responsible) by the Doctor of Chiropractic named below.

I have had the opportunity to discuss with the Doctor of Chiropractic named below, my diagnosis, the nature and purpose of chiropractic treatments. I understand I am informed that, in the practice of chiropractic there are some risks to exam and treatment including but not limited to, fractures, disc injuries, strokes, dislocations, sprains and increased symptoms and pain or no improvement of symptoms or pain. I do not expect the doctor to be able to anticipate and explain all risks and complications, and I wish to rely on the doctor to exercise judgment during the course of the procedure which the doctor feels at the time, based on the facts then known, and in my best interest. I further acknowledge that no guarantee or assurances have been made to me concerning the results intended from the treatment.

I have read, or have had read to me, the above consent. I have also had an opportunity to ask questions and all of my questions have been answered fully and satisfactorily. Signing below, I consent to the treatment plan. I intent this consent form to cover the entire course of treatment for my present condition and for any further condition(s) for which I seek.
